“ I met Rubien and Dale over the phone while transitioning a move from Pennsylvania to Bear Valley. They sent me pictures of beautiful homes and properties so I could fulfill my dream to move back to California. Well in 1993 I made the move. Later, I found a home on Jacaranda that was just perfect but it was a for-sale-by-owner. I called Rubien and the kind of friend that he was, he took the time to tell me about the house as he knew it well. He was the nail that's solidified my decision to buy the house even though there was nothing in it for him. He told me it was a secure and great deal and one heck of a house. To me, Country Real Estate IS "Tehachapi. My sister who moved away from Bear Valley always asks about the Brandon's and how things are going. We were all saddened to hear about Rubien's passing but we are also happy to hear that his celebration of life is shared by many. May he rest in peace.

Mari and Mike Goodman and condolences from Wanda and Kim Walsh family.
